Changes effective Oct. 1, 2018    Office for Social Matters

## Granting of

- **non-cash benefits for transportation needs**
- **coupons for clothing and shoes essentials**

**by the regional government starting October 1, 2018**

Beginning on October 1, 2018, the Upper Palatinate (Oberpfalz) regional government will be granting benefits for transportation and clothing needs in the form of non-cash benefits or coupons.

This means that you will no longer be able to receive monetary benefits for these needs through the Office of Social Matters beginning on October 1, 2018.

The monthly cash amount to which you are entitled will be reduced accordingly. For example, a single adult will receive only 102.07 euros per month instead of 161.59 euros.

You will receive new notices of benefits from the City of Regensburg for the periods beginning on October 1, 2018.

You will receive separate notifications from the regional government about the formalities related to the granting of the non-cash benefits and coupons.
